2024 NOTICE OF PROPOSED PROPERTY TAXES AND PROPOSED OR ADOPTED NON-AD VALOREM ASSESSMENTS (PAGE 2)

The taxing authorities which levy property taxes against your property will soon hold public hearings to adopt budgets and tax rates for the next year. The purpose of these public hearings is to receive opinions from the general public and to answer questions on the proposed tax change and budget prior to taking final action. Each taxing authority may amend or alter its proposals at the hearing.

EXPLANATION OF "TAXING AUTHORITY TAX INFORMATION" SECTION

COLUMN 1 - "YOUR FINAL TAX RATE AND TAXES LAST YEAR"

This shows the prior year's taxable value, tax rate and taxes that applied last year to your property. These amounts were based on budgets adopted last year and your property's prior year taxable value.

COLUMN 2 - "YOUR TAX RATE AND TAXES THIS YEAR IF NO BUDGET CHANGE IS ADOPTED"

This shows what your taxable value, tax rate and taxes will be if each taxing authority does not change its property tax levy. These amounts are based on last year's budget and the current year taxable value.

COLUMN 3 - "YOUR TAXES THIS YEAR IF PROPOSED BUDGET CHANGE IS ADOPTED"

This shows what your tax rate and taxes will be this year under the budget actually proposed by each taxing authority. The proposal is not final, and may be amended at the public hearings shown above. The difference between columns 2 and 3 is the tax change proposed by each local taxing authority and is not the result of value changes.

EXPLANATION OF "PROPERTY APPRAISER VALUE INFORMATION" SECTION

MARKET VALUE - The most probable sale price for a property in a competitive, open market involving a willing buyer and a willing seller as of the January 1 assessment date. The 2024 Market Value is based on the condition of the property and market conditions as of January 1, 2024, and is established by analyzing market information including sales that took place in the prior year.

ASSESSED/CAPPED VALUE - The value of your property after any assessment reductions, such as the Save-Our-Homes cap on homestead properties or 10% non-homestead cap, have been applied. This value may be reduced by a Save-Our-Homes cap benefit "ported" from a prior homestead property. The assessed value will also reflect special use classifications, such as the agricultural classification. If the assessment reductions are applied or a special use classification is granted, the assessed value could be different for School and Non-School taxing authorities.

TAXABLE VALUE - The assessed value less any applicable exemptions, such as the homestead exemption. The taxable value is the value to which millage rates are applied to determine tax amounts. Taxable values may vary for different taxing authorities to reflect the impact of taxing authority-specific exemptions or assessment caps.

ASSESSMENT REDUCTIONS APPLIED - Properties can receive an assessment reduction for a number of reasons listed below.

- 1. There are limits on how much the assessed value of your property can increase each year. The Save-Our-Homes cap benefit (including cap portability) and the 10% non-homestead assessment cap for Non-School millages are examples.
- 2. Certain types of property, such as agricultural land, land used for conservation, and working waterfronts, are valued based on the special property use, per Florida Statutes, as opposed to market value.
- 3. Some reductions lower the assessed value only for levies of certain taxing authorities.

EXEMPTIONS - Exemptions are specific dollar or percentage reductions applied to the assessed value to reach the taxable value. They are usually based on residency status or statutory qualifications of the property owner. Any exemption that impacts your property is listed in this section along with its corresponding exemption value. In some cases, exemption values may vary depending on the taxing authority. For example, the additional \$25,000 homestead exemption does not apply to school millages and the additional homestead exemption for low-income seniors applies only to the municipal or MSTU millages.
